President's Message

Welcome to 2026! As you read this issue of our Reporter, I'm sure you've had your fill of turkey with all the trimmings, putting your house back in order and resting up after celebrating New Year's Eve. Of course, January is sending us a message – it's probably going to be a long, cold and snowy Canadian winter – as usual – at least that's what my aching bones tell me. But never fear, summer is only a mere 6 months away!

January, according to the Gregorian calendar, is named after the Roman god Janus, the god of beginnings and transitions. Janus is depicted with 2 faces – one facing backwards and the other forwards – hence the new year and its beginnings. January is a month known as “International Self-Love” month and here in Canada, recognized as Alzheimer's Awareness Month. If you were born in January, you were born with strong powers of resilience, ambition, determination and leadership qualities! Wow!

As I sit here writing this missive, I look forward to every day as a gift. I know our committees are working on planning many fun events, fascinating speakers, and dining options. To help you get to those warm summer days, try these tips: Get more sleep; Say yes more; Stop putting things off; Treat yourself; Do something you loved when you were a child; Be kinder; Make time for friends; and always try to stay positive.

And if these suggestions don't work, crack open a bottle of wine, open a good book, sit by the fire and RELAX!!

Enjoy 2026!

Claire Albright
President, PROBUS Club of Alliston
