President's Message

Happy Canada Day! Our great country of Canada is 157 years young on July 1st. So exactly what are we celebrating?

July 1, 1867, the British North American Act (Constitution Act, 1867) created Canada. July 1, 1879, a federal law made July 1st a statutory holiday to celebrate the anniversary of Confederation. It was originally called Dominion Day and in 1982 was officially changed to Canada Day.

Enough of the history lesson. We are so lucky to live in one of the best countries in the world. We can complain about politicians, high taxes, poor health care, crime on the rise, but all the complaints pale in comparison to the good stuff.

- The economy is growing so there are opportunities for our children and grandchildren.
- Healthcare is mostly free. It could improve (and I'm sure it will eventually). We can still get the care we need although we might have to wait longer than we would like.
- Canada is a safe country. Contrary to what we hear in the news, crime rates are low compared to other countries. We can still go for a walk without fearing for our lives.
- Canada has clean air and water, something that we often take for granted.
- Canada is a beautiful country with lots of unspoiled open spaces and wilderness to explore.
- We live in a democracy. We are free to express our opinions and live our life as we choose.
- Canadians are friendly, compassionate and caring.

I'm proud to be Canadian. I love the fact that we start every Probus meeting by singing the National Anthem. It reminds me of how lucky we are to live in this great country.

However you celebrate on July 1st, whether it's a beer on your balcony, a barbeque party, or attending one of the many celebrations in the community....remember why we are celebrating. Have a great Canada Day!

Lifetime Membership Presentation

Bev Hughes and Midge Facciol presented Brian Palmer with a Lifetime membership to the Probus Club of Alliston for Outstanding Service to the Club.

My thanks to those in the Club who decided to present me with a Lifetime Membership, particularly in the way it was presented by two of my favourite ladies, Bev and Midge.

I haven't been able to attend meetings lately and the kind thought came as a complete surprise.

Hope to see you all soon.

Brian Palmer

June 2024 PROBUS Meeting

Show & Tell Speaker – Norm Kennedy

Drums & Bugles

Norm took on a fascinating trip through the history of the development of drums & bugles from the Stone Age until now.

Main Speaker was Malcolm Kelly Women in Air Force Blue

Malcolm G. Kelly, a professional journalist for 37 years, the founder and coordinator of a renowned postgraduate sports journalism program at Centennial College in Toronto, spoke to our PROBUS group about "Women In Air Force Blue".

His presentation on "Women In Air Force Blue" followed a number of women and their amazing experiences, was very interesting and enjoyed by all.
